

Decible® Double

The bigger brother to the Decibel® Single. All of the extra space makes it ideal for meetings and work sessions for up to four users. It retains all the comforts, equipment, and sound attenuation that the Single booth is renowned for!

Designed For You From The Inside Out

Reducing Decibels.

Three layers of soundproofing material removes all distractions, giving everyone in the office a moment of peace.

Keeping You Cool.

Quietflow™ Ventilation

Our proprietary QuietFlow™ system is designed to keep you cool, quietly circulating the air inside the booth every 3-4 minutes while ensuring sound doesn't escape.

Customize It Your Way

Spaceworx office pods will fit right into your office with its clean modern design. Easily match any aesthetic with dozens of options and configurations.
