< Description:	Decibel® is an oasis in the open office environment. It's perfect for making phone calls, video conferencing, or performing focused tasks. Integrated LED lighting and Quietflow™ ventilation make it as comfortable, as it is quiet.	The bigger brother to the Decibel® Single acoustical office phone booth. All of the extra space makes it ideal for meetings and work sessions for up to four users. It retains all the comforts, equipment, and sound attenuation that the Single booth is renowned for!	The largest pod of them all, the Decibel® Conference Pod is the size of 2 Decibel® Double booths, designed for 6-8 users. Its modular design makes it a quick and easy alternative to building out conference rooms and provides superior acoustics and privacy for meetings.	Introducing Decibel Single XL – the ultimate office pod designed to empower solo professionals. With space for one person in a wheelchair and tailored for seamless online meetings, it's your ticket to a productive, private workspace.	Meet Decibel Double ADA– the spacious office pod redefining inclusivity and collaboration. Whether accommodating two individuals in wheelchairs or one in a wheelchair plus two more, it's the ideal space for teamwork and productivity.
